Rogers (VW&R) Kansas City, Missouri, EPA ID # MOD007158157

Dear Mr. Schneider:

The Missouri Department of Natural Resources (MDNR), Hazardous Waste Program (HWP), has completed its review of the September 1995 closure plan for the above referenced facility. This letter constitutes final approval.

As required by 10 CSR 25-8.010(7) and 40 CFR 265.112(d)(4), incorporated by reference in 10 CSR 25-7.265(1), MDNR issued a legal notice. At the same time, MDNR forwarded a copy of the closure plan for public review to the Kansas City Public Library which is located at 311 E. 12th Street, Kansas City, Missouri. Thirty (30) days were provided to review the plan, to submit written comments, and to request a public hearing. No comments or requests were received.

If there are any questions regarding this letter, please contact Ms. Darleen Westcott, Environmental Engineer, HWP, at (314) 751-3176.

Very truly yours,

DEPARTMENT OF NATURAL RESOURCES

David A. Shorr
